Child Evangelism Fellowship® is a Bible-centered, worldwide organization composed of born-again believers whose purpose is to evangelize boys and girls with the Gospel of Jesus Christ, disciple them in the Word of God and establish them in the local church. CEF has workers in more than 163 countries.

At CEF's International Headquarters workers are involved in producing and shipping materials, processing information, training missionaries and providing overall leadership to USA and overseas ministries.

The Children's Ministries Institute provides specialized, practical training in children's ministries not found in Bible colleges or Christian universities.

If you have a heart for reaching and disciplining children for Jesus, if you desire to train others in this ministry or if you are seeking career opportunities in this field, CMI is just what you are looking for.
